Dear Parents and Students,

Greetings !!!

The much awaited summer vacation has begun. It is a time for relaxation and enjoyment. As important as it is to rest & enjoy, it is also important to continue to learn. Strike a balance between work and play and allow yourself to grow in the process.

It is a welcome break for the children to enjoy and explore things in their own way and do some creative work. This is the time for them to be close to family & friends. Give them some responsible job in the family to instill values, involve them in daily chores, arrange a short family trip, bring them emotionally around & give them chances to take small decisions, so that they work on their overall personalities too.

We have planned some very interesting Holiday Assignments/Projects for the students this vacation. These projects have been chosen with a lot of deliberation. We are giving you interesting activities and worksheets. Do them as instructed and submit your work after the vacation.

Important Note:

- Students should do their work on their own.
- It is mandatory to submit Holiday Assignments to all the subject teachers by 27th August 2023.
- Marks are allotted for these Assignments and will be added in your Subject Enrichment Activities of the term in the report card.

Relax, enjoy, have loads of fun and come back refreshed!!!

**HAPPY *EID AL ADHA* IN ADVANCE!!!**

**HAPPY VACATION**

Warm Regards,

Ms. Bindu Santhosh
